## WITT SCORES TOUCHDOWN

The Ursinus Freshman team proved too much for Allentown Prep and defeated them by the score of 7-6. The battle was waged on the Muhlenberg Field. Both teams displayed real offensive and defensive ability in spurts, but for the most part the two teams appeared to be rather evenly matched.

Neither team was able to score in the first half, but each scored their lone touchdown of the game in the third quarter. The Frosh were the first to score and kicked the extra point. Shortly after this a forward pass, McFadden to Headley, netted fifteen yards and meant a touchdown for Allentown Prep, but McFadden failed to kick the extra point.

The Frosh kicked in the opening frame, and with Shover of Allentown receiving, made an attempt to march down the field, taking fifteen yards in the first two minutes of play. They then attempted to gain ground thru a series of line plunges, that resulted in a second first down. The Prep boys then lost the ball on a fumble, the frosh gaining in line plunging tactics that resulted in gains.

The second quarter opened with a repetition of almost all the plays used in the first neither team coming within scoring distance at any time.

On a fifteen yard pass Glick to Hess the Frosh crossed the line for the first tally of the afternoon, Glick tearing off forty yards and enabling Witt to make the first touchdown, while he kicked the extra point. Later in the period the Prep boys uncorked an aerial attack, and resulted in Allentown scoring on a long pass.

The work of the Frosh backfield was very good and their system of line plunges proved consistent ground gainers.

URSINUS BEARS STAGE  
NEXT TWO GAMES AT HOME

The next two gridiron contests which will feature the Bears, will be played at home, on Patterson Field. Next Saturday, Ursinus will play Dickinson. The Bears are determined to keep up their winning streak and should find Dickinson their next victim. The following Saturday, October 29th will find George Washington University here. This week-end should prove the biggest of the season, for in connection with the football game an intercollegiate cross-country run will be staged. All the old timers will be present to witness the dedication of the new gymnasium which will also take place at that time.

Y. W. TAKES ANNUAL HIKE  
TO LOST LAKE TUES. EVE.

One of the most interesting and enjoyable events of the year is the annual hike to Lost Lake sponsored by the Y. W. C. A. This took place Tuesday evening and was participated in by practically all the girls of the College. A beautiful evening and later, a full moon added to the pleasure of the occasion.

On arriving at Lost Lake, the girls enjoyed the sandwiches, hot dogs, and pie that are necessary on such a trip. After eating, all gathered around the fire and poems appropriate to the out-of-doors were read by Dorothy Berger, '28, and Marie Markley, '29. All the old and new popular songs were sung and the singing of the Campus Song brought to an end a very memorable evening.

OLD TIMERS' DAY TO BE  
OBSERVED OCTOBER 29Dedication of New Gymnasium in  
Connection with G. Wash. Game

October 29th will be one of the biggest days, athletically, that the students and alumni of Ursinus have seen in many years. It will be marked by the formal dedication of the new athletic field and enlarged athletic facilities which have transformed the back campus during the past few months.

Elaborate preparations are being made for appropriate celebration of the day and special invitations are being sent to alumni and friends to return for the various events. The program that is being arranged is an unusual one and one which will be of exceeding interest.

An intercollegiate cross-country run will finish on the new track at about one-thirty o'clock. Member teams of the Eastern Intercollegiate Athletic Conference will participate. At two o'clock a brief, but impressive, dedication ceremony will be held in front of the grandstand. This will be followed by the football game with George Washington University. The events of the day will close with a subscription dinner in the new dining room under the auspices of the Alumni Athletic Club.

It will be a day for the Old Timers and many will be back to take advantage of the good things that are offered.

DICK SNYDER OPERATED  
UPON FOR APPENDICITIS

Dick Snyder, one of the associate editors of the Ursinus Weekly, and a popular member of the Junior class was rushed to the Montgomery hospital, Norristown, Friday evening, where an immediate operation was performed for the removal of his appendix. Latest word from the hospital states that Dick is resting comfortably and his condition is good, and improving steadily. Dick expressed the desire to see students who find it possible to come to Norristown. He is confined in a private room, on the second floor of the hospital. The visiting hours are from 10 a. m. to 9 p. m. The Weekly staff, along with the entire student body is wishing "Dick" an early and complete recovery.

GROUPS HELD SEMESTER  
MEETINGS THURSDAY EVE.;  
REMAINING ON OCTOBER 18Delightful Programs Rendered by  
Members Made Evening Very  
Enjoyable One

## MEETINGS A TRADITION

Three of the seven groups held their first semester meetings during the past week. The remaining groups are scheduled to take place on Tuesday, October 18th. These meetings have been carried out for many years and serve to acquaint the students of the group with one another. Besides this many attractive programs are offered and all have an enjoyable evening.

## Chemical Biological

The Chemical-Biological Group had its first meeting of the year on Thursday evening in the Philosophy Room. The officers for the year are: President, Charles Engle, '28; Vice-President, Irvin Leinbach, '29; Secretary, Margaret Johnson, '30; and Treasurer, Richard Fox, '29.

Mr. Engle opened the meeting according to tradition with an address to the new members of the group. After hearing his speech one cannot help but realize what great responsibilities rest upon the scientist, whether biologist or chemist.

The other speakers of the evening were Professor Sturgis and Professor Brownback. Having listened to these three one can see more clearly what it means to belong to the group. It was with great satisfaction that the growth of interest and membership in the Chem-Bi group was noticed.

Helping to furnish entertainment was Mr. Wislocky '31, who obtained a very enjoyable amount of melody from his harmonica. One of the best numbers on the program was the time honored Chem-Bi orchestra which was almost potent enough to turn one's thoughts from science.

With Miss Peggy Johnson as accompanist, Miss Irene Biando, '30, very delightfully sang "O Sole Mio," and for an encore "Silver Moon."

The meeting ended very enjoyably with refreshments.

## Modern Language

The Modern Language Group held their group meeting Thursday evening in the Y. W. C. A. room in the Library. After a brief business meeting, the new President, Miss LaRue Wertman, '28, gave a short talk on the growing Modern Language Group. A short entertainment followed, consisting of a piano solo by Florence Shoop, '29, a vocal solo by Evelyn Browne, '30, "Correspondence with a French Girl" by Carolyn Ozias, '31. Dr. Yost offered a few remarks, noting the increase in the group, and giving advice to the Freshmen. Professor Bretz also spoke and remarked about the importance of Modern

HOW OUR FUTURE FOES  
FARED LAST SATURDAY

Ursinus has won three games out of four starts, their only defeat coming at the hands of the Lehigh University eleven. The next two games being at home should increase this percentage of wins for the Bears.

The following is a summary of how our future opponents fared last Saturday:  
W. Maryland 45—Dickinson 0.  
Geo. Washington 6—Rutgers 0.  
Lebanon Valley 19—Muhlenberg 0.  
Swarthmore 12—Lehigh 10  
Army 27—Davis-Elkins 6.

URSINUS HUMBLER OLD  
RIVAL IN GREAT GAMEKichline's Demon Gladiators Romped Off With Sensational Victory  
Over Old Foe, Scoring in Every Quarter

## MOYER, LA CLAIR, AND BLACK SCORE BEARS' TOUCHDOWNS

Sweeping aside all opposition in their path like chaff before the unleashed fury of a tropical hurricane, Coach Kichline's powerful Ursinus grid machine rushed and staggered a bewildered Franklin and Marshall eleven under a stinging 32-7 humiliation on Williamson Field, Lancaster, Saturday afternoon.

The Bears were everywhere at the same time, knocking alien passes to the ground and tackling the Nevonian backs in their tracks. At the same time the Red, Old Gold, and Black ball carriers uncorked a furious attack which crushed all opposition in majestic fashion. Ursinus completely outplayed and outwitted their arch-enemy in the epic gridiron struggle of the season.

A large crowd witnessed the Ursinus machine tear the F. & M. line to shreds and completely bewildered Coach Schroyer's backs in a cleverly

concealed aerial attack. The Bears offense functioned smoothly, each man working with machine like precision, spouting disaster for the Lancaster collegians.

## Moyer Stars

Bill Moyer paved the way for the initial score when he sprinted sixty-five yards to tally the first Ursinus marker, early in the opening round. Although failing to score again his uncanny field generalship and his part in the Bears forward pass attack won him strong praise from the crowds.

## No Actual Hero

There was, however, no outstanding player or players on the Ursinus squad. In the backfield Ted La Clair twice crossed the Blue and White goal line while Jeffers, on a pass from Moyer, tallied one. Benner crashed the line for large gains and played a beautiful defensive game. Elmer Watson, diminutive second string signal barker, registered the final six-pointer for Ursinus. Watson, playing with only ten men on the field, plunged through center to score after Black intercepted an F. & M. forward, and a pass, Young to Roth, carried the oval to the one yard line.

## Line Usual Self

Captain Schell's aggressive line was its usual self, impregnable in the defense, and opening gaping holes on the offense, whenever called upon. From end to end, from little "Jobby" Johnson at end to big Joll at guard, F. and M. found a savage, unyielding line which was as strong as the proverbial stone wall. Ursinus, on Saturday, was one of those "can't be beat" teams and none of the powers that be could have held back the pent-up fury of the Grizzlies.

## Lehman F. &amp; M. Hero

"Dutch" Lehman, Nevonian full-back, scored the only touchdown for Coach Schroyer's team in the last quarter when he repeatedly crashed thru the Ursinus line for large gains. Lehman, practically unaided, was the home teams' satellite in their dying attempt to prevent, at least, a white-wash.

## Moyer Scores

The first period was not half over when Bill Moyer crashed through center and continued his way through the secondary defense, dodging and

BROTHERHOOD OF ST. PAUL  
BANQUETS AT LANCASTERMinisterial Boys Guests of the  
Theological Seminary

The Brotherhood of St. Paul accepted an invitation extended to them from the ministerial students of Franklin and Marshall College and members of the Theological Seminary in Lancaster to a reception which was held in Dietz Hall on Friday evening, October the fourteenth. The date of the occasion incidentally was the two hundredth anniversary of the first communion service held by the Reformed Church in America, and was brought to mind by Dr. De Long, of the seminary, who related briefly the beginnings of that sect in this country. Other leading speakers of the evening were Dr. Richards, president of the seminary, Dr. Herman and Dr. Franz of the faculty, and also members of the Franklin and Marshall faculty, including Dean Omwake. The main theme introduced by Dr. Richards was "The Great Idea" and was eloquently expounded by him and those latter called upon to speak. Charles String very ably expressed, on behalf of the Brotherhood, the gratitude of having the opportunity to share their fellowship and enjoy the occasion of visiting their halls.

An informal gathering was held, following the reception, in the seminary lounge in which the students discussed the various incidents in seminary life and problems confronting them.

NEW URSINUS SONG HAS  
BECOME POPULAR ON CAMPUS

A new song has become popular on the campus during the past week. It was written to give our boys the fight they need to conquer their opponents on the gridiron. The words are as follows:

Fight Ursinus, Fight Ursinus  
Fight against the foe,  
Wave the colors, wave them proudly  
As we onward go, (rah! rah! rah!)  
In the battle, in the battle,  
With Ursinus might  
Iron men of old Ursinus  
Fight, Fight, Fight.

### Y. M. MEMBERSHIP DRIVE

**D**URING the past two weeks, enthusiastic workers representing the Y. M. C. A. have been soliciting new members into the organization, and although their task is not yet complete, still the records show that splendid progress has been made.

It should be needless to present this subject so urgently but yet, up to the present year so few men students have availed themselves of the opportunity of affiliating themselves with this organization. In the past it has largely been upheld by those interested in christian work, those who are preparing themselves for christian service as their contribution to mankind.

There may be many young men who misunderstand the campus Y. M. C. A. There may be some perhaps that feel that their sessions are prayer meetings and not interested with any other campus problems save that of a religious nature. This has never been the case in the past or at the present time, and although the "Y" emphasizes and stresses spiritual and religious conduct, nevertheless the "Y" triangle stands for all that a real "he man" should be, namely, mentally awake, morally straight, physically fit, and spiritually minded.

The Y. M. C. A. has fostered many campus activities in the past and is looking forward to greater interest and enthusiasm, and to surpass all previous undertakings this year.

It has already received and welcomed the new freshman class, making them feel right at home and a part of the great Ursinus family. It fosters all athletic smokers in the interest of our college sports. In this way it serves to "pep up" not only our teams, but the student body whose cry is victory throughout our sport seasons. It sponsors the Inter-class and Inter-Dorm basketball contests which was a big indoor attraction during the winter months last year. It is also trying to make arrangements to receive adequate equipment for a wrestling and boxing team.

In order to accomplish its well laid plans, and reach the ultimate goal it has set before itself, it needs every male student's support. Your answer should be I'll join the "Y" and help the cause.

M. E. B., '29.

### THE SPIRIT OF UNITY

**T**HERE is an old proverb which says "in unity there is strength." The Ursinus student body will agree with that old saying, for we have seen during the past several weeks what working together as one can accomplish in winning football games. The football warriors have won three of their four games so far this season, and it was largely due to that "spirit of unity" or harmony which has taken a firm grip upon the gridiron gladiators.

That same spirit should manifest itself, and become a dominant factor in all our student activities. Unity or harmony is an essential factor in anything well accomplished. Your body will not function properly unless all organs co-ordinate and work together with the mind which is the center of all activity. And so it is where there are great numbers working to gain an ultimate goal.

Let the "spirit of unity" possess us, and be the center of our college life and from it shall radiate work well done. When we cheer therefore, let us cheer as one, and not only football games will be won, but that same spirit will make a greater and better Ursinus.

M. E. B., '29.

### TEAM WORK

**W**ITH the overwhelming defeat of Franklin and Marshall last Saturday the Ursinus football team has clinched further their chances for that long sought successful season. In some ways the game on Saturday makes our season highly successful. Greater glories, however lie before us, the prospects for winning the remainder of the games are good. With ordinary good luck as regards injuries and with the absence of an over-confident spirit Ursinus alumni will be able to point with pride to the record of their Alma Mater's 1927 Football team.

This year marks the beginning of a new era at Ursinus. A definite feeling is manifested thruout the campus, a new spirit totally unlike the lethargic, dull conduct of at least the last four years is manifested. Ursinus has caught what was long lacking. It at last has what is now termed pep. The football team is furnishing the welding power to bring the students into one unified body.

Work scholastically is bound to improve while the general morale of the College is much higher and better than it has been for some time.

Alumni should turn out to see the Ursinus team defeat Dickinson on Patterson Field, October 22.

C. H. E., '28.

## ALUMNI NOTES

Chester L. Brachman, '26, spent several weeks during August at Fort Eustis, Virginia, in active duty training with the 603rd Division of the Coast Artillery. Brachman has the rank of First Lieutenant.

Miss Grace Chandler, '19, is on the copy staff of the Kembra Advertising Agency in Philadelphia.

Announcement has been made of the marriage of Malvern C. Buchanan, ex-'24 and Evelyn M. Moeller. "Buck" was a member of the varsity football team during his two years' sojourn at Ursinus.

On July 30th, Alexander G. Canan, '22, of Philadelphia, was united in marriage to Miss Margaret S. Swisher, formerly librarian in the State Department of Public Instruction. At present they are residing in Philadelphia.

Rev. Norman S. Greenawalt, '22, resigned his pastorate at Glencoe, Somerset County, Pennsylvania, and has entered Boston University for further study in the field of religious education.

Salem Church, Frostburg, Maryland, after renovating its church buildings and refrescoing the same, installed a new Estey Pipe Organ, at a total cost of \$5600. The services of rededication of the organ took place September 25, with Dr. Isenberg as the preacher morning and evening. The pastor under whose leadership these things were accomplished is Rev. John W. Keener, '11.

Charles L. Maurer, '12, has been made Dean of the College Department of the South Jersey Law School, and he also holds the position of Head of the Department of Social Studies in the Camden Senior High School.

## The Tower Window

OCTOBER 29! Mark it on your calendars, all you loyal Ursinians. This is the day set for the great home coming of Old Timers. But not only graduates and former students are wanted in Collegeville. The invitation goes out to all friends of Ursinus—old and new. Every man who likes clean sport and feels an interest in athletics at this institution will be heartily welcomed.

A rich program of events has been arranged but all centers around an epoch making occasion—the dedication of the new field and the enlarged athletic facilities that have been provided during the past summer. Ursinus now possesses as beautiful an oval as can be found on any college campus, a standard quarter mile track, a two hundred and twenty yard straightaway—both built in accordance with Spalding specifications, six new tennis courts, all supplied with extra-heavy and substantially built back tops, a new gymnasium with ample facilities for basketball and other indoor games and having a loft of built-in bleachers large enough to accommodate four hundred spectators. The new building also contains locker rooms and shower stalls for both home and visiting teams. This entire equipment is to be set apart for the maintenance of physical education and the major and minor sports employed today in collegiate athletics.

These improvements together with the erection of the new dormitory buildings on the west campus and the new dining room on the old Freeland plaza have made necessary the building of roads and paths, the making of parking spaces and the creation of lawns. When this work, now well under way, is completed, the campus of Ursinus will extend all the way from the street to the far end of the oval.

To see the new Ursinus that has sprung up over summer will be well worth the trip; to catch the new spirit which pervades our four hundred and fifty-four students and to see the 1927 football team in action will give you a new start in life.

On October 29 all roads will lead to Collegeville. Follow the crowd.

#### PICTURES TAKEN OF GROUPS FOR 1928 RUBY LAST WEEK

During the past week group pictures of the Freshman, Sophomore and Junior classes were taken on the library steps for the 1928 Ruby. The Y. W. cabinet and the newly organized Ursinus band also had their pictures taken. The members of the band were dressed in full uniform, blue coats and white duck trousers and their instruments with them.

Erik K. Reed has the distinction of being the youngest freshman at George Washington University, being only 13. He intends to prepare himself for a career as chemist.

Freshmen at the University of Toronto are wearing harem veils. The Sophomores got over playful in their interpretation of hazing rules. "Personal dignity" has been the reason for this decoration.

## Y. M. C. A.

The weekly meeting of the Y. M. C. A. held last Wednesday evening was a continued and most emphatic proof of its popularity and growth this year. More than forty young men considered the unfavorable elements no hindrance to attending and the inconvenience in getting there but served to make each one more appreciative of the meeting.

After the devotional exercises, in charge of Edward Frank, President Charles String gave a most interesting and inspiring talk on the maxim "Sail On." He very ably chose his subject, considerate of the fact that Wednesday was Columbus Day. After quoting the poem "Sail On," which embodied the trials of Columbus' voyage he then very instructively applied it to the voyage of one's life. He said in substance that "one must never be discouraged in life but must face each succeeding obstacle with the resolve to Sail On."

This was followed by selections by a young musician who is enjoying popularity at the "Y" meetings. Oscar Trauger '31 played Barcarole and another popular number very ably on his Hawaiian guitar.

Violin selections by G. Malowitz, another member of the class of '31, were also enjoyed.

A very unusual and impressive way of getting the full value of hymns was then presented. While the beautiful and inspiring hymn "Fairest, Lord Jesus" was being softly played by Dick Snyder, the members of the "Y" repeated the words silently to themselves. This effects an otherwise unobtainable contemplation on the words and meaning of hymns.

Things new and helpful are brought up at every meeting, for the "Y" is composed of young men organized for the betterment of the College. An exhortation is given to all Freshmen who have not as yet attended to attend the next meeting. "Once will be enough" in that one meeting will be sufficient to convince one of the benefit and fellowship derived. So let's see a good Freshman representation at the next weekly meeting of the Y. M. C. A.

cheer-leader

EVERY pipe is a Sunny Jimmy-pipe when it's packed with P.A. The tidy red tin chases the blues—and how! Why, you feel better the instant you open the tin and get that marvelous P. A. aroma. Every chore becomes a cheer, and you're sitting on top of the world.

Then you load up and light up. That taste—that never-to-be-forgotten, can't-get-too-much-of-it taste! Cool as a cut-in from the stag-line. Sweet as retaliation. Mild and mellow and long-burning, with a balanced body that

satisfies, right to the bottom of the bowl.

You find that P. A. never bites your tongue or parches your throat, no matter how often you stoke and smoke. Get on the sunny side of life with a pipe and P. A. Buy a tidy red tin today and make the personal test. Pipes were born for tobacco like this.

P. A. is sold everywhere in tidy red tins, pound and half-pound tin humidors, and pound crystal-glass humidors with sponge-moistener top. And always with every bit of bite and parch removed by the Prince Albert process.

URSINUS HUMBLER OLD RIVAL

sidestepping all who threatened to end his rush. Chapel, F. & M.'s safety man, was all that separated Moyer from his goal. Bill headed straight for the blue and white jerseyed athlete until he was several paces in front of him when he suddenly swerved and a groan went up from the Lancaster cheering section as Chapel was seen to slip in a frantic effort to reach the elusive quarterback.

La Clair Registers

Again in the second period, after Schell's placement kick had been blocked in an attempt for a field goal Ursinus carried the pigskin down the field, a pass, Jeffers to Moyer yielding twenty yards and dumping the ball on the two-yard line, Ted La Clair, New England's granite smasher, plunged through center to give the Bears a 12-0 advantage at halftime.

Jeff Tallies

Ursinus kicked off to F. & M. to inaugurate the hostilities in the second half. F. & M. failed to gain and a pass, Chapel to Lehman, was intercepted by Bill Benner on Ursinus' 45-yard line. A march down the field culminated in a pass, Moyer to Jeffers for the Bears' third tally.

Lehman started whatever fireworks the Lancaster collegians had and passes Chapel to Lehman, carried the oval to Ursinus 3-yard line where they held for downs. Lehman again began an offensive, which this time, was more successful and a series of thrusts at the line eventually gave Franklin and Marshall a touchdown. Chapel added the extra point in the form of a very pretty drop kick.

Ted Nabs Pass

Ursinus' fourth touchdown was the result of a 45 yard run by La Clair who snatched a Lancaster pass on F. & M.'s 45-yard line and continued unmolested to the final chalk mark. After this tally Coach Kichline inserted his second team.

Watson Scores

Not to be outdone by their more distinguished teammates the scrubs displayed their prowess and consistently gained ground on the Lancaster eleven. A pass was intercepted by Black on F. & M.'s 25-yard line and a forward Young to Roth netted twenty yards. Ursinus was playing with only ten men as Mick Carl, the eleventh, was injured and forced to leave the game with no more substitutes on the bench. Line bucks by Roth and Young advanced the oval to the goal line and Watson took it over.

First downs—Ursinus, twelve; F. & M., ten. Penalties—Ursinus, thirty yards; F. & M., forty-five yards.

PIGSKIN PICKUPS

Not since the 31-0 defeat of 1917 has F. & M. suffered such a severe reverse at the hands of the Grizzley monarch as on Saturday.

Incidentally, the Bears playing with ten men turned out to be the humorous side light of the afternoon and when the scrubs scored the last touchdown, shy one man, the Lancaster boys were ready to crawl in a hole.

The Ursinus band led by C. Thompson made its initial appearance in fine style. Dressed in white ducks and blue serge coats they paraded around the field at halftime, vieing with the F. & M. band for musical honors.

The Franklin and Marshall band of thirty pieces honored the Ursinus students by forming a large U in front of their cheering section and playing for them.

It was poverty day at F. & M. for the Freshmen but the germ spread farther. F. & M. suffered for lack of points (32-7) and even "Kick" conoperated by finishing the game with only ten men.

It was a colorful crowd that witnessed the struggle between the two rival colleges. Ursinus had a large representation on hand to view the glorious triumph.

"Mick" Carl suffered a "tough break" when he sustained a broken bone in his ankle in the fourth quarter after he relieved Newcomer in the backfield. He was taken to a Lancaster hospital for an Xray examination.

An amusing incident occurred in the second quarter when "Jobby" Johnson intercepted an F. & M. forward pass and became momentarily confused. He first started for the Bears' goal but sensed his mistake and turned, making twenty yards before being brought to earth.

Put Lehman down as one of the best backs Ursinus faced thus far this year. Practically single handed he crashed through the Ursinus line to score F. & M.'s only touchdown.
